II. STANDING ITEMS

A. Advisor Updates

Courtney Sutton | 10 minutes | Information

The ASCC will hear updates or announcements from the ASCC Advisor

We are currently at a standstill with the YCCD student trustee elections. Communication is unclear and we are unsure of what we need to do to properly elect a Columbia College trustee. We need to contact the board to speak with them before we can elect someone.

Elections have started! They will close on Tuesday, ASCC will discuss the outcome before the public announcement on Wednesday.

Legislation AB-928 is causing difficulties for transfer students, but most of the impact has been curbed. Students who were on a transfer path but had no degree plan would be prevented from registering. However, we were able to communicate with students and only 3 ended up being affected negatively. The ASCC may need to meet in May before taking a break in the summer.

B. Student Trustee Updates

N/A | 10 minutes | Information

The ASCC will hear updates or announcements from the YCCD Student Trustee

III. BUSINESS

A. ASCC Scholarship

Courtney Sutton | 10 minutes | Information/Discussion/Action

The ASCC will approve the invoice for the ASCC Scholarship.

Every year, the ASCC helps coordinate mini grants and scholarships. This year, we have to transfer 300 dollars for a scholarship that was just awarded. The ASCC needs to vote to move this money.

Motion as presented by Callista Jukes and seconded by Samson Jenner. All in favor and the motion carries.

B. Ping Pong Tables

Courtney Sutton | 10 minutes | Information/Discussion/Action

The ASCC will discuss and approve the purchase of two ping pong tables.

We want to get more games to play on the patio or at outdoor events. We want to replace our ping pong tables with new ones.

Motion to approve new ping pong tables as presented by Samson Jenner and seconded by Callista Jukes. All in favor and the motion carries.

Thank you Debbie.

C. Student Center Doodle Wall

Debbie Stewart | 10 minutes | Information/Discussion/Action

The ASCC will discuss and approve a possible doodle wall for students in the student center.

We want to take the back wall between the storage room and the bathroom of the student center and make it an interactive art space of some kind! Promoting creativity in students. We brainstormed letting students draw on a large magnetic whiteboard. The past events space we could also get creative about. Maybe frame to flip through so it takes up less space We like the idea of the

doodle wall. We approve the rearranging of past events area and allocate \$500 to the doodle wall to clean up the spaces and make them more intentional.
