Everyone likes this idea. Supplies to make the box will be purchased soon.

Motion to approve setting out the box and purchasing any required materials as presented by Alexander Jukes, seconded by Kevin Steele. All in favor and the motion carries.

D. Spring Survey

Tobias Lovell | 10 minutes | Information/Discussion/Action

The ASCC will vote on the creation of a 2025 Spring Survey and open discussion on the topics within the survey.

Motion to open discussion as presented by Alexander Jukes, seconded by Kevin Steele. All in favor and the motion carries.

Courtney explained to us the importance of the Spring Survey. It is important we have this survey to show what is important to the students and prove to the board what services need to be kept running for the benefit of students. The survey is also an important reminder from students of what the campus needs to work on. Matt from the research office is offering his aid after we create a draft. We would like to have it ready by early spring so that we can publicize it and keep it up longer, collecting more data. We could do an opportunity drawing to incentivize. Tobias, Leyannandra, and Samson will form a subcommittee for the Spring Survey

ASCC | Regular Meeting Agenda | 11-21-24 12pm

Motion to launch the Spring Survey in January, create an opportunity drawing, and form the committee as presented by Alexander Jukes and seconded by Leyanndra Winans. All in favor and the motion carries.

E. Spring Business Meeting Time

Tobias Lovell | 10 minutes | Information/Discussion/Action

The ASCC will open discussion and vote on a spring semester business meeting time.

Tobias reminded the ASCC to add their availability into the When2Meet. Tabled for next meeting.

F. Health Fee

Leyanndra Winans | 10 minutes | Information/Discussion

The ASCC will open discussion about the increased health fee.

Leyanndra spoke to us about the health fee and what has happened as a result of it. We agreed to the health fee this year because the institution was told we would hire a full-time nurse, Pinyon would be stocked with more first-aid supplies, and Pinyon would be open more. However, as of this point in time, none of these promises have been fulfilled. Courtney encourages the ASCC to ask in committees what the plan is for Pinyon. We should mainly ask at Student Success Committee and College Council meetings.

G. ASCC Golf Cart

Tobias Lovell | 10 minutes | Information/Discussion/Action

The ASCC will open discussion about the ASCC golf cart and vote on a next course of action.

The engine repair did not work for the ASCC golf cart, so now the ASCC must decide what to do next.

Motion to open discussion as presented by Alexander Jukes and seconded by Samson Jenner. All in favor and the motion carries.

The ASCC would still like to have a golf cart. Having a golf cart at our disposal is necessary to transport people to the Ponderosa Pantry and other campus events, so if we are to get a new cart, we should prioritize carrying capacity.

Motion to approve getting a new golf cart as presented by Alexander Jukes, seconded by Kevin Steele. All in favor and the motion carries.

The student trustee spoke to us about ASMJC’s desire to get a second student trustee, ideally a representative from Columbia college. This was spurred on due to MJC’s removal of the shuttle last semester with no warning or input from affected students. He would like to get a student trustee from our college so our colleges are more connected and Columbia is more represented. We will make this an agenda item for a future business meeting.
