# Columbia College Apprenticeship Initiative

## Fire Science Pre-Apprenticeship

This pre-apprenticeship program includes:

- Career exploration in the firefighting field
- No cost to the participant
- Preparation for the Columbia College Fire Academy
- Partnership with the California Firefighters Apprenticeship (CalJAC)
- CPAT test fees paid (for participants over 18)
- Hands-on classes, workshops, and field trips through Columbia College and partnering agencies. Events include:
    - ◇ Columbia Air Attack Base Tour
    - ◇ Drones workshop
    - ◇ Careers in Fire Science workshop
    - ◇ Field trip to CalJAC Career Expo

Requirements:

- All participants must be over 14 years of age
- Apply to the Columbia College Apprenticeship Initiative
- If under 18, parent/guardian signatures required
- Sign up for as many classes, workshops, and field trips as desired!
