PEOPLE-TO-PEOPLE INDEX:

Are you willing to share your interest or knowledge of a subject with others? Are you looking for a person who is willing to share his or her knowledge of a subject? Then we invite you to participate in the new PEOPLE-TO-PEOPLE INDEX.

The library has established a PEOPLE-TO-PEOPLE INDEX to provide access to human resources available at the college and in the community. Here's how it works: Anyone possessing a knowledge or skill which he or she is willing to share can fill out a form describing the subject and extent of that knowledge. The library staff will take your form, transcribe the information onto a card very much like a catalog card and file it in the SUBJECT section of our card catalog. Thus, when a person is looking for something on fly-fishing or home-canning, he will find books, media, and also people who have said they know something about it and are willing to be contacted. This index is not limited to experts nor to academic subjects. So far we have listings that include fly-tying, tatting and hardanger embroidery, sport parachuting, trout fishing, woodworking, retriever training, back-packing, environmental impacts, Tuolumne County history, soil classification, wine and beer making, electronics, foreign auto repairs, and many others. DEAD WEEK:

Questions are being raised about the necessity of "DEAD WEEK". Dead Week takes place five school days before finals and during that time no activities will take place. The reason for Dead Week is so that both students and faculty can prepare for finals. The Student Advisory Board met to discuss this last Thursday and the general feeling was that Dead Week is not necessary. Do you agree? Come tell us, we will have a table in the cafeteria Tuesday and Wednesday, April 24, and 25 to hear your opinions.

WHAT DO YOU WANT?

What do you want in the way of a Student Government for this next year? You have your choices:

- (4) Don't have a Student Government

It's going to be your decision, so watch for charts and flyers explaining the different governments. Any proposals for more effective types of government will be more than welcome. We will publicize all proposals to the Student Body. WHAT DO YOU WANT?
