## WEEKLY BULLETIN

August 17, 1987

### WELCOME TO COLUMBIA COLLEGE!

We hope everyone had a relaxing summer and is ready to accept the challenges offered this coming school year. Future Weekly Bulletins will be available every Monday morning in the Admissions and Records Office, the Rotunda, the Library, the Bookstore and the distribution box by the Cafeteria. Notices of meetings, student activities and items of interest to the student body are reported. Anyone wishing to have notices placed in the Weekly Bulletin should submit copy to Dorothy Danz in the office of the Dean of Student Services by 12:00 noon Thursday for publication on the following Monday.

### STUDENT RESPONSIBILITY

All students have the responsibility of being informed about Columbia College policies and regulations. The Columbia College Catalog clearly describes the regulations and procedures regarding limits on unit load, minimum requirements, English requirements, required labs, course prerequisites, refund policies, probation and dismissal policies, etc.

Students who do not have a College Catalog may purchase a copy in the Bookstore and familiarize themselves with its contents. Graduation and transfer requirements change from year to year. For that reason every academic student should keep a Catalog from the year he/she enters Columbia College. Students are also reminded that whenever they are not enrolled for at least one semester in each academic year, they are responsible for any added requirements since their last semester of attendance.

The Columbia College staff is available to the student for assistance in meeting requirements and following procedures; but, the student is ultimately responsible for his/her academic program.

### LATE REGISTRATION ADVISEMENT

A counselor will be in the Rotunda of the Learning Resources Center during the first week of Fall Semester from 8:30 a.m. to 3:00 p.m. to assist new students who have not completed registration for this term. Advisors and counselors for continuing students can be located in their offices.

### EVENING ADVISING

Evening advising will be available Monday through Thursday during the first two weeks of Fall Semester. Students may call for an appointment (533-5125) or come by the Admissions and Records Office between 6:00 to 7:00 p.m.

### PARKING

A parking fee of 50 cents per day or \$15 per semester will be charged to all students, faculty and staff. Parking permits may be purchased in the College Business Office (located in the Learning Resources Center). If you do not wish to purchase a permit, you will be charged 50 cents each day you bring your vehicle on campus. Motorcycles and motorbikes will be charged the same as other vehicles. Parking lots A, B, C, and D are available for student parking. Please observe all posted signs and traffic regulations. Violators of parking regulations are subject to receiving a citation or having their vehicles towed away at the owner's expense.

#### EMERGENCY MESSAGES FOR STUDENTS

Since adequate means of communication are not available between the offices on campus and the classrooms, the only messages that will be taken for students are emergency-type messages. Please make other arrangements with family and friends for direct communication with you.

#### DOG RULES

All domestic animals are banned from campus with the exception of Seeing Eye Dogs and those contained within vehicles in the parking lot (please keep in mind this can be very dangerous for your pet during warm weather).

Evening hours the first week of the semester will be 6:30 to 8:30 and the second week from 6:30 to 7:30 Monday through Thursday. A full refund will be given on returned books only when accompanied by the receipt and only from August 17 through 28. A new book must be in new condition. If a book contains any markings or names, it will be considered a used book.

#### NURSE'S HOURS

The College Nurse will be on campus daily in the Health Occupations Building. Office hours are: Monday, Tuesday and Thursday, 9:00 a.m. to 2:00 p.m.; Wednesday, 9:00 a.m. to 3:00 p.m.; Friday, 9:00 a.m. to 1:00 p.m.

The Cellar Restaurant, which is open to students, staff and community, will be open next week. In order to expedite service in the Cafeteria, please have your order and money ready when you reach the counter to place your order. Your order will be called when it is ready. You are reminded it is your responsibility to bus your own dishes and leave the table clean when you have finished eating. Your cooperation in these matters is appreciated.

The entries will be on display October 12-28. Entry forms and further information are available from Jan Jorn in the Community Services Office.

### CONSUMER POWER

The habits of the buying public (that's you and me) control to a large extent the future of the environment. For example: buy albacore tuna (which is caught by methods safe for dolphins). Conversely, avoid light tuna (which is caught in nets that also kill dolphins).

(OVER)

### YES, YOU CAN!

A women's leadership development program with something for every woman from moms to managers will be presented by the Columbia College Community Services Program in October. The goal will be to integrate leadership skills with personal development. The program includes a Saturday workshop and soup and salad buffet on October 24 and Thursday evening sessions on October 28, November 5 and 12. Women are encouraged to attend the series or individual sessions. Cost is \$15 for October 24 and \$5 for individual Thursdays or \$25 for the whole series. Information and registration forms are available in the Community Services Office. Reservation deadline for the Saturday session is Friday, October 16.

### JAZZ ARTISTS SERIES

Alto saxophone artist Richie Cole will be the guest performer for the first concerts in this year's Columbia College Jazz Artists Series. Cole will perform with the Columbia College Jazz Choir and the UC Berkeley Jazz Choir for concerts on Saturday, October 24, at 8 p.m. and Sunday, October 25, at 2 p.m. in the Forum. Tickets are \$6 in advance and \$6.50 at the door. Tickets are available from Rod Harris, the Bookstore and Charlie's Books in Sonora. Season tickets for the five-concert series also are available for \$25.

### COMING SOON TO A TOILET NEAR YOU

Dormies--watch for your friendly neighborhood Ecology Action Group Representatives who will be coming by to install water displacement jugs in your toilet tanks. By conservative estimates, these jugs placed in the campus housing promise to save the College approximately 28,000 gallons of water each school year (at the present housing occupation level). These jugs will not impair the function of your facility (we have tested them and you will be passively contributing to water conservation on a significant basis).

### ECOLOGY ACTION REMINDER

As you are aware, we are experiencing a drought this year. The pressure on our water system can be eased by a few common sense, simple methods. The following are a few suggestions provided by the Ecology Action Group: 1) Take short showers and turn off the water while you lather; 2) Make your laundry load a full one (launder with a friend...); 3) Leave the water off while brushing your teeth; 4) "If it's yellow, let it mellow, if it's brown, flush it down"...in other words, you don't have to flush every time; 5) If you have a leaky faucet, see to it that it is fixed.

The Ecology Action Group is a newly formed Columbia College club. Please join us with your ideas and energy every other Tuesday beginning this week in front of Room 302 at 12:30 p.m.

## BE "CENTS-IBLE"

Recycling is easy, convenient, profitable, and good for your social status and non-fattening. What's more: 1) Every aluminum can recycled saves the equivalent of that can one-third full of petroleum fuel; 2) Those containers (all soda and beer: metal, plastic and glass) now have a redemption value. That one cent each may seem small, but the accumulated funds go to good use on campus (landscaping, trails and other projects from which you benefit daily); 3) Solid waste disposal is a growing problem and recycling is a major part of the solution; 4) Returning plastics and other environmentally unsound containers for their redemption discourages their manufacturing and use; 5) IT'S EASY: a). There is a separate container by the door of the Cafeteria and b). The far end of the upper level parking lot is a good place to leave recyclables of several kinds: newsprint, cardboard, glass and aluminum (as well as redemption value containers). Be a part of the solution, not the problem!

### CONSUMER POWER

Styrofoam is an insidious public offender. It damages the ozone in manufacturing, virtually never decomposes (when it does, it further damages the ozone), and it is almost impossible to avoid completely in your buying habits. One small but significant thing to do is to bring your own coffee cup - to the quick stop market, to the cafeteria, etc. Every little bit helps!

A POOR EXCUSE IS BETTER THAN NONE...

But the BEST excuses win the prizes!! In the College Library's "Best Excuse for an Overdue Book" Contest students can win the choice of three top prizes for dreaming up the best, or the nuttiest, the wildest, or the most ludicrous excuse for turning in a book late. ### WHERE YOUR MOUTH IS

Your buying habits determine many things--not the least of which is the amount of pesticides dumped on California farmlands (and subsequently into everybody's water...). Seek out and support organic produce (request it in your favorite market, if they don't offer it now). The bonus is the lower amount of pesticide residues you ingest every day.
