## Mountain Lion Sightings

We have received reports of daytime sightings of a mountain lion on campus. These animals have a large home range area, and our campus is part of this lion's territory. Please observe the following safety precautions:

- Do Not hike or jog alone
- Keep Children close to you
- Do Not run from a Lion
- Do Not crouch down or bend over
- Do All you can to appear larger
- Fight Back if attacked

Living with mountain lions is a fact of life in the Sierra foothills. As we try to gain a better understanding of mountain lions and their habitat, we can learn to co-exist safely with these magnificent animals.

A letter from the President of the Associated Students of Columbia College:

*Dear Student Body:*

*As you are probably aware, your Student Senate has been extremely active this year trying to address the needs of the student body. Here is a recap of the events over the past year: Our annual Christmas Giving Tree, Winter Coat Drive, Canned Food Drive, Student Senate Scholarship program, and of course, our celebration of Black History Month. We also met with Mr. Negishi from Tokyo on his international tour of colleges. Your senate sponsored the Candidates Forum, and addressed your concerns regarding the proposed budget cuts by sponsoring Voter Registration Day, Letter-Writing Campaign that ended with a trip to Sacramento to meet with Senators and Asseblymen. We worked with Habitat for Humanity and Special Olympics and ended our year with our Multi-Cultural/Earth Day Event which was co-hosted with the Environmental Club.*

*After all is said and done, I feel this was a successful year. Many thanks to the faculty and staff for their wonderful support, and special thanks to ASCC Vice President-John Rush, Director of Pubilicity-Sherrene Barnard, Secretary-Mary Miles, Senator-Miranda Redenbaugh, Advisor-Coni Chavez, and the volunteerism of Robin Bowden and Cheryl Sharp -- you have ALL helped to make this a very memorable year.*

*Doralyn C. Foletti*
