Thinking about the flu vaccine?

Health Services will have a flu vaccine clinic on campus in late October. The date will be in this bulletin and on campus flyers. The Centers for Disease Control recommend flu vaccines be given in October or November, so we will be right on time.

If you don't want to wait, or would like some other health screening, the 26th annual Tuolumne County HEALTH FAIR will be Tuesday & Wed., October 19th and 20th at the Mother Lode Fair Grounds on Stockton Road. Flu vaccines will be offered at the fair for a fee. This fair also offers hearing and vision screening, oral evaluations, body fat checks, skin screening, blood chemistry, glucose and anemia testing. The services offered at the fair are too many to include all. Most services are free, the blood testing is $10-20. For more information call Health Services at 588-5204 or the Tuolumne County Public Health Department at 533-7428 or 533-7401 for flu vaccine information.

The Public Health Department will offer flu clinics throughout the county at various times during flu season. Look for information in this bulletin or call the number above.

More information about influenza can be found at www.cdc.gov.

Handling the Holiday Blues

One of the best ways to handle the Holiday Blues is remember to get your R-E-S-T:
Reasonable expectations and goals. Be realistic about what can and cannot be done. Get plenty of rest and relaxation.
Exercise, even walking daily. Eat and drink in moderation.
Enjoy free activities.
Simplify to relieve stress. Set a budget for social and gifts. Simple gifts bring happiness-give time to others-volunteers, donate to charity, call or visit a friend or someone who is homebound.
Take time for you to relax and remember. Spend time with caring, supportive people. Keep in mind that Traditions can be changed.
