Credit Hour Equivalency

The credit hour equivalency tables show training time for nonstandard length quarters and semesters. To determine the number of weeks, count the number of days in the enrollment period (first day through the last day) and divide by 7. Disregard a remainder of 3 days or less and consider a remainder of 4 days or more a full week.

Chapter 33 (Post 9/11 Gi Bill) Students

You are required to be over half time to be eligible for your BAH (housing allowance). In referring to the table above be sure that you remain in either the $\frac{3}{4}$ or FT areas if you wish to be receive the BAH.
